Sir

Sub: Conversion of Driver posts into LDC posts

The Association has learnt that in a good number of schools, vehicles purchased have run out of their life time and are off the road. This has left the regular drivers of the vidyalaya without work. But their services are being used for miscellaneous and petty jobs. The NVS has already issued orders to the ROs to covert the post of such drivers into LDCs wherever there are vacancies provided they fulfil the eligibility criteria for the post.

However, we have been receiving appeals from the drivers to intervene in this matter as no action is being taken to convert the post of Drivers into LDCs in spite of the clear directions and guidelines from the Headquarters.

This necessitates the Association to appeal to you on behalf of the vidyalaya driver community to pay serious consideration to this problem and clear the hurdles, if there are any, and see to the time-bound implementation of its directives so that the services of the qualified drivers are utilized for better functioning of the vidyalayas.

Thanking you.

Yours sincerely

JAGDISH RAI
